# MakerSync, LLC

Just keep making. Let us handle the managerial stuff.

A dimly lit workshop or makerspace. In the center, there is a large, white industrial machine, possibly a CNC mill or lathe, with a red logo on top. To the right, a person is standing and looking at a computer monitor. The background shows various tools, equipment, and a cluttered workspace. The overall atmosphere is industrial and technical.

Makerspaces are **complex** organizations  
and many fail due to  
**inefficient management**

Makerspaces *need* management systems

# The Solution

We help Makerspaces manage **equipment safety** and **membership**, while opening doors for members across the globe with unified **training** qualifications.

# Mission Statement

— — —

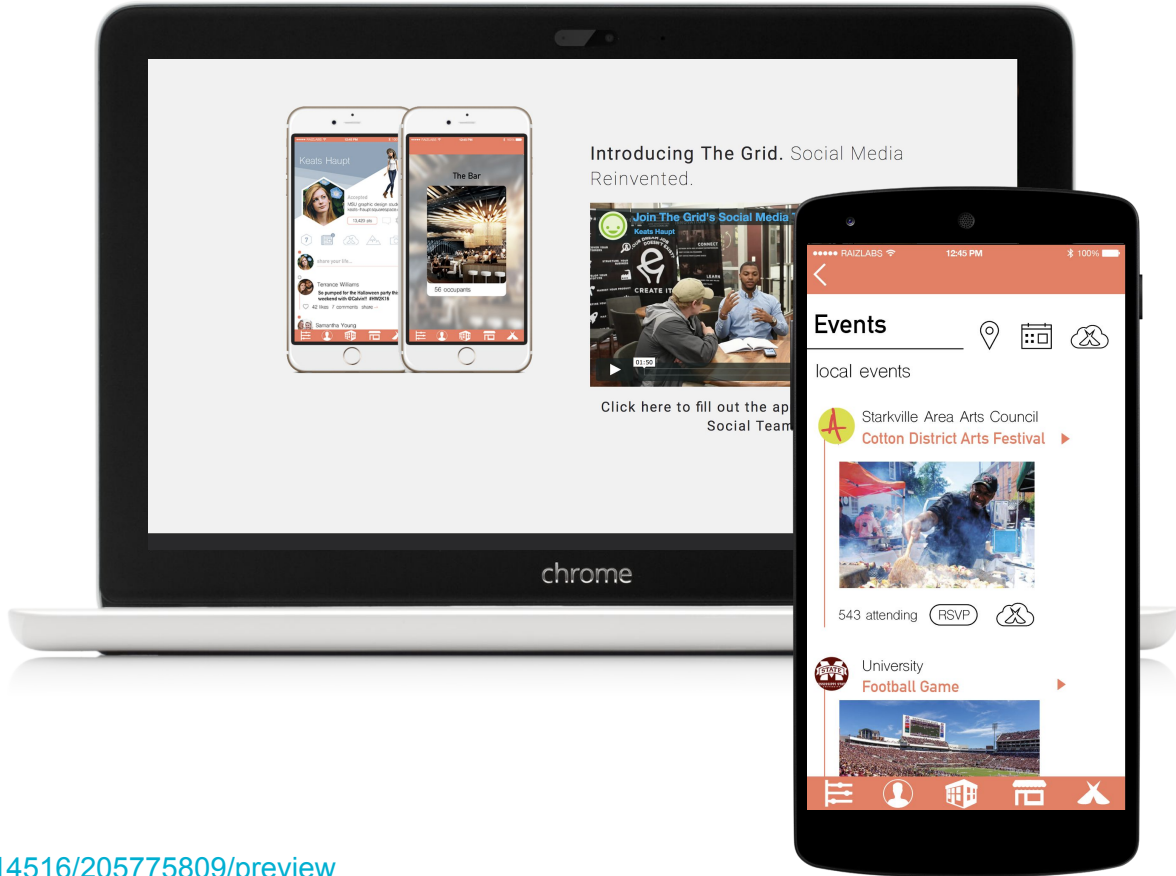

Our team works every day to provide users with the opportunity to experience an app that is more than just a social platform, but an app that has implemented a new way for people to connect with each other.

# Wire-framings

# Glaance

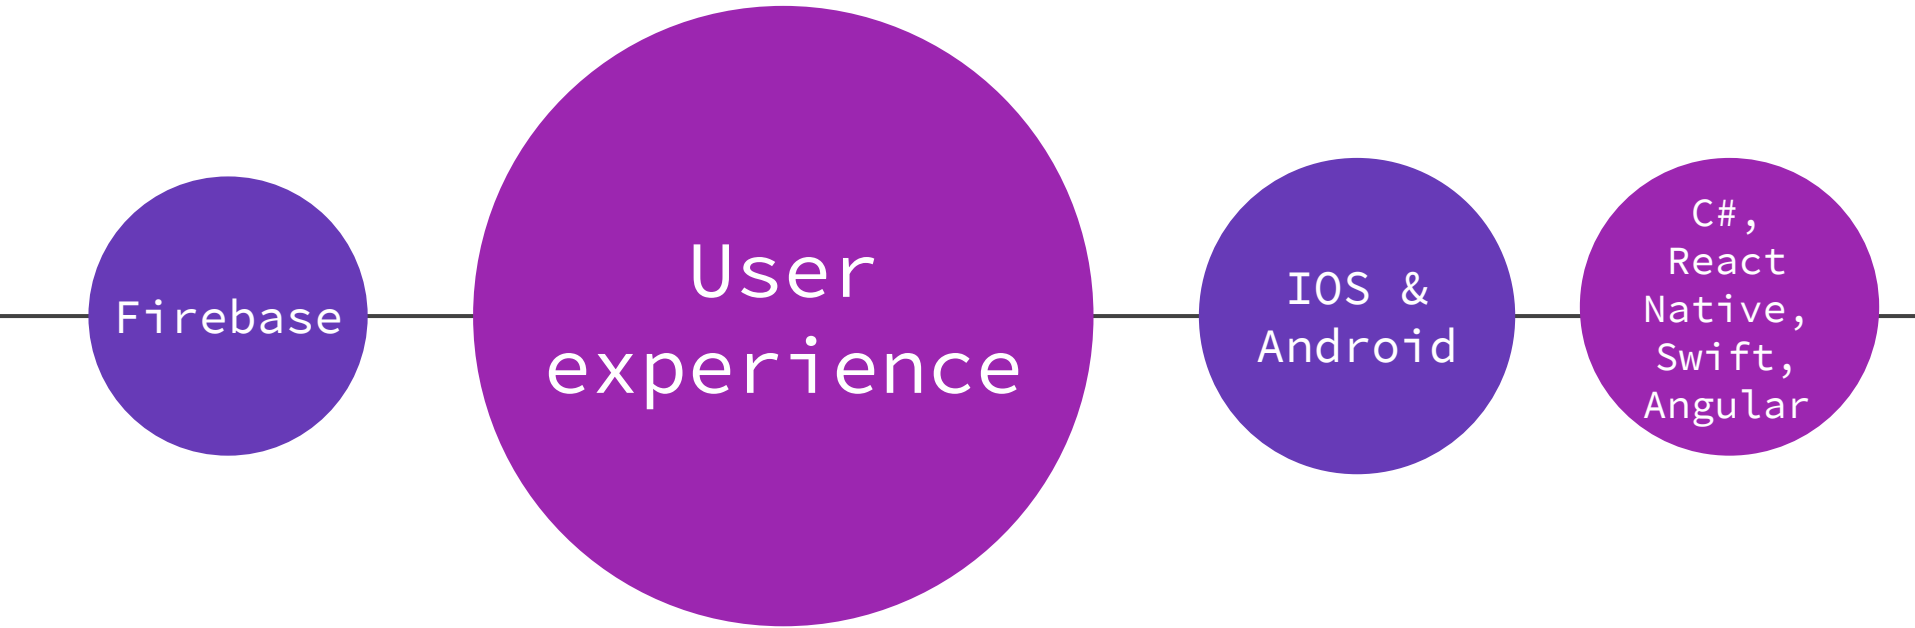

— — —

The Grid is an up and coming social media app, designed to keep people in the loop of the **latest parties, gatherings, and events** in their social community. The Grid has integrated the finest attributes of social media, and conveniently placed it in one app. Glaance gives you an opportunity to **stay informed**, while also giving you the power to promote the most important social product, **You**.

An aerial photograph of a football stadium, likely the University of Kentucky's, showing the seating bowl and the field. A white geometric wireframe, resembling a crystal or a complex polyhedron, is overlaid on the top right portion of the image. The text '| TAILGATING |' is written in a bold, white, sans-serif font across the middle of the image.

# | TAILGATING |

LSU, Sept. 16th

Kentucky, Oct. 21

Alabama, Nov. 11

Ole Miss, Nov. 23  
(tentative)

Details to follow

The background of the slide is a dark gray with a complex, abstract wireframe pattern. This pattern consists of numerous interconnected lines forming a series of overlapping, irregular polyhedrons and geometric shapes, creating a three-dimensional, crystalline effect. The lines are thin and dark, contrasting with the lighter gray background.

# MEMBERSHIP REQUIREMENTS

An abstract, three-dimensional wireframe structure composed of interconnected cubes and rectangular prisms, creating a complex, crystalline form. The structure is rendered in a light blue-grey color against a darker, muted blue background. The word "DUES" is superimposed in white, bold, sans-serif capital letters over the central part of the structure.

# DUES

Normally \$25

\$15 before end of Friday,

# MEETING TIME

LET'S VOTE!

A black and white photograph of a person sitting at a desk, viewed through a window. The person is wearing a dark cap and is looking down at a laptop. A dark cup is on the desk next to the laptop. The background outside the window shows a tree and some buildings. The word "PROJECTS" is overlaid in large white letters on a dark horizontal bar across the middle of the image.
